TAKING BANGLADESH TO THE WORLD...

BEXIMCO

Today the Beximco Group (“Beximco” or the “Group”) is the largest private sector group in Bangladesh. Beximco was founded in the 1970’s by two brothers – Ahmed Sohail Fasiur Rahman and Ahmed Salman Fazlur Rahman. Since the early days, the Group has evolved from being primarily a commodities trading company to a leading, diversified group with a presence in industry sectors that account for nearly 75% of Bangladesh’s GDP. Beximco’s corporate mission is to “take Bangladesh to the world”.

As Beximco has grown over the years, the flagship platform now has operations and investments across a wide range of industries including textiles, trading, marine food, real estate development, hospitality, construction, information and communication technologies, media, ceramics, aviation, pharmaceuticals, financial services and energy. The Group sells its products and services in the domestic Bangladesh market as well as international markets. Beximco is the largest employer in the private sector in Bangladesh and employs over 45,000 people worldwide.

The Beximco name has now become one of the most recognizable brand names in Bangladesh. It is synonymous with innovation, trust and quality. The Group consists of five publicly traded and seventeen privately held companies. The publicly traded companies – Bangladesh Export Import Co. Ltd., Beximco Pharmaceuticals Ltd., Shinepukur Ceramics Ltd., Beximco Synthetics Ltd. and IFIC Bank Ltd. – have a combined market capitalization of approximately \$1,300 million. The Group had total revenues of \$834 million in the year ended December 31, 2010.

The Group’s global clients include some of the world’s best known brands including BT, BASF, Chevron, Calvin Klein, H&M, JC Penney, Macys, Zara, UNICEF, Royal Doulton and Villeroy & Boch.

Beximco is well positioned to capitalize on strong growth across industries in both the domestic and global
